

# RUGGED. RELIABLE. UNMATCHED.

## MEET SOLIS ENERGY'S ENCLOSURES.

**Solis Energy's Enclosures** are engineered for ruggedness, strength, and durability. Ideal for housing batteries and electronics, our enclosures provide protection against falling dirt, rain, sleet, and snow. Our industrial grade enclosures are made of heavy gauge aluminum with a continuous stainless-steel hinge and stainless-steel locking hardware. Our white powder coat provides improved thermal protection and gives the enclosures a sleek, aesthetically pleasing look.

**Proudly Manufactured in the USA.**

## ENCLOSURES

### ADVANTAGES

- Optimized for Integrated Power Systems
- 20+ years of Field-Proven Reliability
- Rugged, Outdoor-Ready Construction
- Engineered to Extend Lifecycle Performance of Internal Components
- Corrosion-Resistant Finishing
- Aluminum and Stainless Steel Options

### APPLICATIONS

- Battery Storage
- Security
- Telecommunications
- Off-Grid Solar
- Oil & Gas Systems
- Environmental Monitoring
- Water and Waste Water Systems
